

IRMA plus – Caritas Austria reintegration project

What is IRMA plus?

- IRMA plus offers reintegration assistance for vulnerable returnees.
- The reintegration assistance consists of a maximum of 3000 € (no cash!).
- Reintegration assistance can include support in the following areas:
 1. Basic needs (housing etc.)
 2. Medical and psychological care
 3. Business assistance
 4. Job training

Who is vulnerable?

- Each individual in each case needs to be assessed separately during the pre-return counselling in Austria, because indicators for vulnerability may vary from country to country. The following list comprises indicators that might indicate vulnerability. The list is not exhaustive.
 - Unaccompanied minor children
 - Single parents with children
 - Elderly people
 - Pregnant women
 - People with physical disabilities, physical or mental health problems
 - Victims of violence
 - Members of specific communities facing repression
 - Single women/female households returning without any family support
 - ...

Where does IRMA plus offer reintegration assistance?

- As a member of the ERSO network, IRMA plus operates in a great number of countries including Serbia, Georgia, Armenia, Ukraine and many others. Please contact Caritas Austria for the latest list of countries.

ERSO

- ERSO (European Reintegration Support Organisations) is a network of European NGOs and their partners in return countries.
